- Molluscs and products thereof

\+ contained according to recipe

\- not contained according to recipe

° traces cannot be excluded - IREKS GmbH endeavours to avoid cross-contaminations on the part of its suppliers as well. However, these cannot always be excluded completely due to cultivation and production.
The details of the in-company threshold values are each in relation to the allergenic food, not to its percentage of protein.

[1] Information:
Soya content <= 50 mg/kg
